As we move through the final quarter of our annual campaign, we have reached \$1 million of our \$1.8 million goal! We are also focused on spreading the word about United Way's areas of focus as we create a Tompkins County where all can thrive. In each of the next four newsletters, we will focus on one of the four areas outlined above. Together, we can make the promise of youth & financial opportunities and a healthy & thriving community a reality. Thanks for being part of it all!

## **Up Coming Events**

We come alongside individuals, households, agencies, organizations, businesses, and the community at large to make a difference. Here are some ways to engage in the coming weeks and have fun knowing it's for our community's good!
