

## Our Neighbors depending on United Way Programs Need Your Help.

We're writing with a gentle reminder that your opportunity to PLEDGE and support 58-mission driven organizations in Tompkins County and the people they serve through United Way's United Tompkins Impact Fund (UTIF) closes soon.

With no payment required at this time, the pledges we receive in support of their work will determine their funding for July 1, 2025 – June 30, 2026 in critical areas including food security, child & youth success, health including mental health, housing, and other basic needs programs. With so many other sources of funding being impacted, we have extended our campaign, and every dollar raised will be designated to their funding.

To support programs meeting human need, please visit [www.uwtc.org](http://www.uwtc.org) today and use the "DONATE" button to pledge or download & return the **pledge card** by mail. Or you can email [campaign@uwtc.org](mailto:campaign@uwtc.org) with your pledge which we will enter for you, with appreciation.
